

Subject Line: THEME CONTEST - Joint Conference 2016 | Invitation to Participate
September 15, 2015

To jumpstart your creative vibe, we've included a word cloud above. Also, below are themes from the last three Joint Meetings:

- a. 2012 – Baltimore: “Connections: MLA Quad Chapter Meeting”
- b. 2009 – Atlantic City: “3 By The Sea”
- c. 2003 – Philadelphia: “Collaborations, Partnerships, and Solutions: The QuintEssential Conference”

Please list up to three theme suggestions for our 2016 Joint Conference. Remember, themes should be *brief, succinct, creative* and *original*. **Contest ends 5pm on October 7th**. Send your suggestions to philadelphiaconference2016@hotmail.com. Do not reply to chapter lists. Only suggestions that are sent to philadelphiaconference2016@hotmail.com will be considered for the contest. The 2016 Conference Steering Committee will select the winning theme based on ***brevity, creativity, clarity and originality***. The lucky winner will be notified before October 15th.

We are looking forward to an exciting time in Philadelphia next year!
