Help disadvantaged women in Philadelphia by donating gently-worn professional clothing, shoes, and accessories to: Dress For Success Philadelphia. Clothing drop-off will be set up near meeting registration area.

About the Speaker: Rose Malinowski Weingartner, MPH, is a research associate at Public Health Management Corporation (PHMC). Rose began working in survey research in 1997, and in 2006 joined PHMC, where she divides her time between evaluating public health programs and collecting and disseminating population-level health data. Rose holds an undergraduate degree in Sociology and Political Science from Temple University and a Master of Public Health from Drexel University.
